LANCASTER COUNTY  
BOARD

DATE: April 30, 2020

TO: Roma Amundson, Chair  
Lancaster County Board of Commissioners  
555 South 10th Street, Room 110  
Lincoln, NE 68508

RE: 2019 Tax Increment Financing Report for the City of Lincoln

In March of 2018, Governor Ricketts signed into law an amendment to the Nebraska Community Development Law (Neb. Rev. Stat. 18-2101 et. seq.), which governs municipal tax increment financing. The new law (Neb. Rev. Stat. 18-2117.02) went into effect on June 21, 2018. Among its provisions, the new law requires redevelopment authorities to make an annual report regarding Tax Increment Financing projects on or before May 1.

As an official of a political subdivision for which taxes are being divided for use as tax increment financing, you are receiving this 2019 report of Tax Increment Finance activity in the City of Lincoln. The governing bodies receiving the City of Lincoln report include:

- ☐ Lancaster County Board of Commissioners,
- ☐ Lincoln Public Schools,
- ☐ Education Service Unit #18,
- ☐ University of Nebraska-Lincoln,
- ☐ Southeast Community College,
- ☐ Lower Platte South Natural Resource District,
- ☐ Lancaster County Assessor, and
- ☐ Waverly School District.

For further information about Tax Increment Financing and how it is used in the City of Lincoln, please contact Dan Marvin, Director of Urban Development, at 402-441-7606 or [urbandev@lincoln.ne.gov](mailto:urbandev@lincoln.ne.gov).

# 2019 Annual TIF Report

Prepared by City of Lincoln, Urban Development Department

## Introduction

The City of Lincoln Urban Development Department acts on behalf of the Lincoln City Council, which serves as Lincoln's Redevelopment Authority. Developers applying to use Tax Increment Financing (TIF) are guided by Urban Development Department staff through an extensive process of review involving multiple city departments, the Lincoln-Lancaster County Planning Commission, City Council and the Mayor. In addition to being evaluated based on zoning regulations, land utilization, and compliance with the ***City of Lincoln 2040 Comprehensive Plan***, TIF projects must meet criteria stated in the ***Nebraska Community Development Law*** and the ***City of Lincoln TIF Policy***. The ***City of Lincoln TIF Policy*** divides projects into Core and Outer areas, each of which have additional requirements.

## Core TIF Requirements

All Core Area TIF Projects must be located inside the 1950 Lincoln city boundaries in areas classified as low and moderate income in the 2000 Census. The Project must achieve ***at least one*** of the following goals:

- Benefit low and moderate-income people or areas, or
- Redevelop a building or site that displays a preponderance of substandard conditions or blight as defined by Nebraska state law, or
- Redevelop a site that has displayed a pattern of declining real property assessments, as measured by the Lancaster County Assessor's Office, or
- Rehabilitate a designated city landmark, a building listed on or eligible for listing on the National Register of Historic Places, or a building located within a local landmark district, or
- Show exceptional potential to attract additional reinvestment in adjacent blighted or substandard areas, or
- Develop new housing opportunities in downtown or in a low-to-moderate income neighborhood,
- Relocate an existing business from an area where it is incompatible with existing or proposed zoning, traffic circulation or other conflicts, or
- Involve a new business or expansion of an existing business that adds to Lincoln's existing tax base.

## Outer TIF Requirements

All Outer Area TIF projects are located outside the 1950 Lincoln city boundaries and areas classified as low and moderate income according to the 2000 Census. Outer TIF projects should not include existing or newly developing residential areas within their boundaries. Outer Area TIF Projects should achieve ***at least one*** of the following goals:

- Generate new primary employment with employers that will have out-of-county sales greater than 50% of their total sales and will have a median wage for its new employees equal to or in excess of 105% of the average starting wage for Lancaster County, or
- Relocate an existing business from an area where it is incompatible with existing or proposed zoning, traffic circulation or other conflicts.

**Four Phases:** To successfully comply with Nebraska Community Development Law and City process, both Core and Outer projects generally move through four phases:

***Phase One:*** Be located in an area officially designated as blighted/substandard,

**Phase Two:** Be part of an officially approved redevelopment plan, which includes acknowledgement that the project would not be feasible without the use of TIF, and

**Phase Three:** Complete an officially approved redevelopment agreement that delineates the public improvements to be funded using TIF.

In Lincoln, Phases One through Three include notice to the public and to taxing authorities, review by the Lincoln-Lancaster County Planning Commission, and approval by City Council and the Mayor.

**Phase Four:** Upon substantial completion of the redevelopment project, Urban Development staff send a "Notice to Divide" to the Lancaster County Assessor who then begins to divide taxes.

### **2019 TIF Activity**

**Phase One: Blight/Substandard Designation:** All of the 2019 proposed redevelopment projects were in areas already designated as blighted/substandard. Within the Lincoln city limits, 11.17 % of the area is designated as blighted/substandard.

**Phase Two: Redevelopment Plan/Plan Amendment:** In 2019, eight redevelopment projects were approved as redevelopment plan amendments:

- **Lied Place Residences** - Resolution A-91428: As part of the Lincoln Center Redevelopment Plan, Lied Place involves redevelopment of a vacant former restaurant site, including demolition of the existing building and construction of a twenty-story mixed-use building. The ground floor will be a restaurant, floors two through four will be commercial office space, and the remaining fifteen floors will be housing. Lied Place is located at 1133 Q Street, across the street from The Lied Center for Performing Arts, in Downtown Lincoln.
- **Willys Knight Lofts** - Resolution A-91520: As part of the Lincoln Center Redevelopment Plan, Willys Knight Lofts involves the renovation and rehabilitation of the historical Strode Building into a two-story mixed-use residential and commercial building. The ground floor will combine commercial uses and secure parking for the second floor residential units. Willys Knight Lofts is located at 1600 O Street.
- **Containers on Vine** - Resolution A-91593: As part of the North 27<sup>th</sup> Street Corridor Redevelopment Plan, Containers on Vine involves the construction of four duplexes on five parcels at 701, 705, 709, 711, and 715 N. 28<sup>th</sup> Street -- all owned by the developer. As the project progresses, demolition of two older single-family homes will be necessary. Each of the innovative units will incorporate a shipping container as part of the living quarters. The project includes 16 off-street parking spaces.
- **9<sup>th</sup> & O** - Resolution A-91556: As part of the Lincoln Center Redevelopment Plan (and replacing another project at the same site), the 9<sup>th</sup> and O project involves construction of a six-story hotel at a major Downtown entryway intersection – 9<sup>th</sup> and O Streets. The hotel will include a first floor restaurant/bar and sub-level parking.
- **NIC Hotel/Office Buildings** – Resolution A-91812: As part of the Nebraska Innovation Campus Redevelopment Plan, the Hotel/Office project involves two phases. *The Hotel phase* includes construction of a six-story hotel on vacant land. The hotel will include a restaurant, coffee shop and other amenities. Part of the ground floor of the hotel will be dedicated for use by the University of Nebraska programs of Hospitality, Tourism, and Restaurant Management. The Hotel site is generally

located at the southeast corner of the intersection of Transformation Drive and N. 21<sup>st</sup> Street. *The Office Building phase* includes construction of a three-story office facility, generally located on Transformation Drive, on a vacant parcel directly east of 2125 Transformation Drive.

- **Huber Building** – Resolution A-91828: A part of the Lincoln Center Redevelopment Plan, the Huber project involves the redevelopment and rehabilitation of a building which is a contributing part of the Historic Haymarket District. Many of the historic façade features will be restored or enhanced. The first floor and basement levels will continue as commercial uses, the second floor will be renovated as residential condominiums and a roof deck will be added. The Huber Building is located at 803 Q Street.
- **Oriental Market/Stone Elephant** – Resolution A-91859: As part of the North 27<sup>th</sup> Street Corridor Redevelopment Plan, the Oriental Market/Stone Elephant project involves the construction of an expansion for the current Oriental Market location 610 N. 27<sup>th</sup> Street. The expansion will incorporate parcels at 630 and 636 N. 27<sup>th</sup> Street. The project, which will roughly double the market's space, will occur in phases. Market operations will move to the new section once that is completed. Once the older section is renovated, the market will expand to both sections.
- **Campion Housing** – Resolution A-91861: As part of the Lincoln Center Redevelopment Plan, the Campion project involves demolition of existing structures and construction of a seven-story building for student housing. The new building, on about three quarters of the block bounded by L, M, 9<sup>th</sup>, and 10<sup>th</sup> Streets, will add 134 residential units and tenant parking, as well as other amenities for residents. Eight of the units will accommodate students with disabilities.

**Phase Three: Redevelopment Agreement:** In 2019, redevelopment agreements were approved for nine projects:

- **Lied Place Residences** - Resolution A-91462: (See project description above.)
- **Willys Knight Lofts** - Resolution A-91541: (See project description above.)
- **Lincoln Victory Park/Clinic** - Resolution A-91598: As part of the VA Campus Redevelopment Plan, the Victory Park project involves several phases of activity. Construction of the building that will house a Veterans Administration Community-Based Outpatient Clinic is one of those phases. The building is being constructed on undeveloped land.
- **9<sup>th</sup> & O**, Resolution A-91600: (See project description above.)
- **Canopy Park**, Resolution A-91602: Although a redevelopment agreement was negotiated and completed for this project, this project has not yet moved forward.
- **Containers on Vine** - Resolution A-91616: (See project description above.)
- **NIC Hotel Building** – Resolution A-91863: (See project description above.)
- **Huber Building** – Resolution A-91896: (See project description above.)
- **Cotner & P Street** – Resolution A-1909: As part of the Cotner & P Street Redevelopment Plan, this project involves demolition of a vacant, deteriorating commercial structure and construction of a four-story, 153 unit residential building with two levels of underground parking and a surface parking lot. The project is located at 225 N. Cotner Blvd.

**Phase Four: Notice to Divide:** In 2019, four *Notices to Divide* were processed for:

- **Antelope Square**, Resolution A-89520: As part of the Antelope Valley Redevelopment Plan, Antelope Square involved the redevelopment of under-utilized parcels in the block bounded by Q, R, 22<sup>nd</sup>, 23<sup>rd</sup> Streets, along with two parcels northeast of the 23<sup>rd</sup> & Q Street intersection. After some demolition, 24 attached, single-family, mixed-income residential units. The project was accomplished in two phases. The notice to divide noted here is for the second phase – fourteen attached single-family and townhome residential units.
- **48<sup>th</sup> & Leighton**, Resolution A-90080, A-90928: As part of the University Place Redevelopment Plan, the 48<sup>th</sup> & Leighton project involves includes the redevelopment and rehabilitation of three underutilized parcels with existing surface parking lots and deteriorating structures into a mixed-use development including market-rate residential units. The project area is generally located between Huntington Avenue, Leighton Avenue, N. 44th Street, and N. 48th Street. The originally planned use for the first floor was non-residential (commercial/office), but that was amended to be residential as well.
- **Viet Hao**, Resolution A-90977: as part of the Antelope Redevelopment Plan, the Viet Hao project involves demolition of one building, construction of a new building (2373 O Street) and rehabilitation of another building (2365 O Street). The new/renovated structures are used as a retail (specialty grocery) store and office space.
- **West O Revitalization**, Resolution A-91120: As part of the West O Street Redevelopment Plan, the West O Street Revitalization project involves a series of improvements within the public rights-of-way, located throughout the West O Street Corridor. The area is bounded by the City limits on the west (approximately NW 50<sup>th</sup> Street), 3<sup>rd</sup> Street on the east, S Street on the north and the railroad on the south.

### **Completed TIF Collections**

Two TIF projects finished collecting increment property taxes in 2019. For both, excess funds were returned to the County Treasurer.

- **Vine Street**, a single-family residential development, is also known a *Liberty Village*. The project was part of the Antelope Valley Redevelopment Plan. Divided collections occurred for 14 years.
- **Verizon Wireless**, otherwise known as *University of Nebraska Technology Park Project 1 – Verizon*, is a commercial development. It was part of the *Northwest Corridors Redevelopment Plan* and originally supported a Verizon call center. However, the call center closed in 2017. Divided collections occurred for 12 years.

### **Overview of Active TIF Projects**

As of December 31, 2019, there were 76 active TIF projects in the City of Lincoln, 64 of which were collecting divided taxes. This does not include the two TIF collections that were completed in 2019. See the attached table for details on each project, including approved TIF investment, private investment, total project costs, estimated value, and 2019 TIF district assessed value for each TIF district.

The following three attachments provide useful information:

**Table 1: Active TIF Projects in Lincoln, NE as of 12/31/2019:** Table 1 includes Project Name, Approved TIF, Private Investment, Estimated Value and 2019 Assessed Value.

**Map 1: TIF Use in Context:** Map 1 locates 2019 new TIF projects, the 2019 completed TIF project, and all other active TIF projects on a base that shows Lincoln's Core and Outer area delineation.

**Map 2: Land Use of TIF Projects:** Map 2 locates all active TIF projects and categorizes them by primary land use as identified in their respective redevelopment plan and the *Lincoln-Lancaster County 2040 Comprehensive Plan*.
